Advania Power Platform Connection

Setup and instructions

Advania Power Platform Connection

1. API's

Advania Power Platform Solution opens up API endpoints that are used with Advania's Power BI reports.

2. Setup

First, you need to have a license to run Power BI, <u>App.Powerbi.com</u> - You can get a 30-day trial version.

Upgrade to Power BI Pro	×
To use Power BI Pro features, upgrade to a Pro license, or try Pro free for 60 days. Learn more about Pro	
By clicking "Try free" you agree to the terms and conditions.	
Buy now Try free Not n	ow

The Power Platform app must then be downloaded from the Business Central marketplace. Go to the Extension Marketplace page.
